I enclose an additional gift to Workaid of			
Total Amount			£

Please print:-

Name: .....

Address: .....

.....

.....Postcode: .....

I enclose a cheque payable to Workaid for: £.....

I wish this donation to be Gift-Aid, signed: .....

*(If you are a UK tax payer, signing this statement will make your gift worth 28% more, providing you pay tax equivalent to the amount we will recover.)*

**Please return this page to Workaid, making sure you have filled in your details above. We will then send you a Workaid gift card for you to give to the recipient. The card will explain that you have made a gift to Workaid, on their behalf, in order to make a real difference to the life of someone in need, in Africa.**

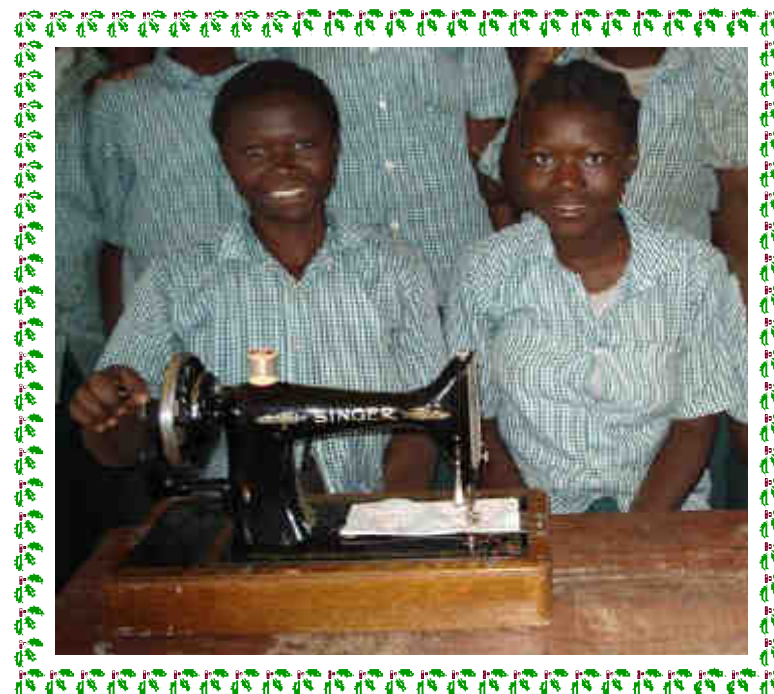

## Give a practical gift to someone special

**If you're looking for inspirational gifts for your family and friends, why not give them something really different?**

Workaid can send a useful present overseas:- a sewing machine, typewriter or tool kit provides practical aid that can transform the life of someone in need. We are sure it will also put a smile on the face of the person in whose name you make the gift.

Just choose a gift from the selection inside, fill in the form on the back and capture the true spirit of Christmas. **Happy giving!**

### Typewriter: £15

For just £15, we can repair and send a typewriter to a training centre or school, giving a young person the keyboard skills needed for further education or an office job.

### Sewing machine: £20

A donation of £20 pays to refurbish and ship a Singer sewing machine, enabling an AIDS widow to support her family with a tailoring business.

### Knitting machine: £25

For £25, we can supply a refurbished knitting machine to a women's group, giving them the means to set up a business making school uniforms.

### Carpentry Kit: £30

A gift of £30 will send a refurbished carpentry kit to a disabled self-help group, giving members the chance to earn a living - and the respect of their communities.

### Masonry Kit: £35

A donation of £35 will deliver a masonry kit to a polytechnic, allowing students to learn the skills needed to construct much-needed homes, schools and hospitals.

### Mechanic's Kit: £40

For £40, we can supply metal-working tools to a car repair workshop, providing a service and creating jobs in deprived inner city areas.

Since 1986, Workaid has been supplying refurbished tools and equipment to training projects in developing countries, mainly in East Africa. Each year, we help more than 8,000 disadvantaged people to learn the skills they need to support themselves and their families, breaking the cycle of poverty in some of the world's most deprived communities. All the equipment we supply is donated to us and repaired by a team of over 170 volunteers in the UK.

Workaid is based at: The Old Boot Factory, 71 Townsend Road, Chesham, Bucks. HP5 2AA
