Tools for Life

WORKAID

Since 1986, Workaid has been supplying refurbished tools and equipment to vocational training projects and self-help groups, mainly in East Africa and in the UK.

Each year, we assist over 9,000 disadvantaged people, helping them to acquire the skills they need to break the cycle of poverty and become self-supporting.

All the equipment we supply is donated to us by the public, collected from all over the UK and refurbished by a team of dedicated volunteers at the Workaid workshop in Buckinghamshire. Any items which are surplus or unsuitable for sending overseas can be sold in the Workaid Shop to help fund our work.

Looking for a...

Practical Gift?

Inspirational gifts to help end to poverty

Give a practical gift to someone special

If you're looking for inspirational gifts for your family and friends, why not give them something really different?

Rather than buy your loved one a gift that they may not really need, Workaid can send a sewing machine or tool kit which provides practical aid that can transform the life of someone in need.

Not only are we sure that it will put a smile on the face of the person in whose name you make the gift, but your gift will truly be a lifeline for people living in poverty.

Simply choose a gift from the selection, fill in the form and return FREEPOST to:

The ITEZO project in Zambia supply tools and equipment donated by Workaid to vulnerable women like Annie Chiluiya.

With the tools and equipment donated by Workaid, Annie is now able to feed her family and earn a living by cultivating a small garden next to her house, producing vegetables to eat with some left over to sell.

£15 Typewriter

For just £15, we can repair and send a typewriter to a training school, giving a young person the keyboard skills needed to progress to further education or office-based employment.

£30 Carpentry Kit

A gift of £30 will send a refurbished carpentry kit to a disabled self-help group, giving members the chance to earn a living, and the respect of their communities.

£20 Sewing Machine

A donation of £20 pays to refurbish and ship a sewing machine, enabling an AIDS widow to support her family by setting up a tailoring business.

£35 Masonry Kit

A donation of £35 will deliver a masonry kit to a polytechnic, allowing students to learn the skills needed to construct much needed homes, schools and clinics.

£25 Knitting Machine

For £25, we can supply a refurbished knitting machine to a women's group, giving them the means to set up a business making school jumpers.

£40 Car Mechanics Kit

For £40 we can supply metal-working tools to a car repair workshop, providing a service and creating jobs in deprived inner-city areas.
