

WORKAID SPONSORSHIP FORM

Workaid believes in tackling the causes of poverty by enabling disadvantaged people to acquire a skill thus empowering them to help themselves to build a better future both for themselves and their families. Workaid provides practical assistance to vocational training projects and self-help groups in Africa by collecting and refurbishing unwanted tools and equipment. Workaid also offers fulfilling work to volunteers in the UK and protects the environment by recycling unwanted tools and equipment which would otherwise be thrown away.
